POGER SULLIVAN Post Not Likely To Be Impeached, But Will Be Given Opportunity To Explain His Liberality To Aliens

been afrences before, who are not anarchists or revolutionists nor politically or otherwise dangerous in any serious. Many of them, as in this case, have American born children. "It is plitful to consider the hard-ships to which they and their families have been emblected during the past three or four months by arbitrar arreit. There have been cases of long detention in default of built beyond the means of the hard working wage earners to give, for nothing more diagrances than affiliation with friends of their own race, rountry and language, and without the slightest knowledge of minister move or unlawful act within their knowledge or intentions.

ant knowledge of sinister move or unlawful act within their knowledge or intentions.

Should He Treated Fairly.

To normit alients to violate the hospitality of this country by non-spiring against it is something which no American can contemplate with patience. Equally impatient, however, must say parforte American be with drastic proceedings on filmsy proof to deport alient who are not conspiring against on laws and do not intend in. Although these are not constitute a proceedings, being wholly administrative in their chancier, their effect upon the innocent individuals who in the summary may be found to be quilty, is as distressing to him and he family, to his friends and to his neighbors as the effect of constiction for crime by regular judge. As a consequence of the foregoing case, Fost has drawn up certain rules for the guillance of his department in handling deportation arrests. This series of rules has come in for severa criticism at the department of institute of the president himself has been existenced to sireighten it out with the prospect that congress, stimulated by the outlaw railway strike, may also take a hand and investigate the whole question of behavior of allens.—Copyright, 1970, by David Law-teine.
